Circle Time

Review – Start your preschool day with Circle Time and sing the “*I Can Sit Down*” song (Improvise your tune)

*I can sit down as quiet as can be.
I can sit down just look at me.
I can sit down as quiet as can be.
I can sit down just look at me.*

Then sing the “Hi There” song. (Improvise your tune)

*Hi there, so glad you came.
Hi there, so glad you came.
Hi there, so glad you came.
One two three let's shout HOORAY.
Hi there, so glad you're here.
Hi there, so glad you're here.
Hi there, so glad you're here.
One two three let's give a cheer. Yay*

This material is intended for live classroom usage only. If you are not leading a live classroom, we encourage you to use the interactive version of the preschool day over at <http://online-preschool.cullensabcs.com>

Next do your Special Help activity.

Look at the calendar and sing the "Days of the Week" song. (Tune of the "Adams Family")

*Well there's Sunday and there's Monday,
there's Tuesday and there's Wednesday,
there's Thursday and there's Friday and then there's Saturday.
Days of the week. (Clap hands 2 times).
Days of the week. (Clap hands 2 times).
Days of the week. Days of the week. Days of the week. (Clap hands 2 times).*

This is a great time to review the days of the week, months of the year and the number of the day. Then check the weather and compare it to your weather dial.

Discussion: Stars

Stars - Now Miss Cullen is going to tell you about stars. Notices how there are different colors seen in the stars that Miss Cullen holds up. The blue stars are the ones that burn the hottest and the red stars are the ones that are cold. Also, ask the children if our Sun is a star? Now, let the children know that the sun is a star and our sun is yellow. There are also different sizes of stars. The yellow and white ones you see in the picture are small stars. And big stars are usually blue, red or orange. Make sure to review the stars with your child after watching the video.

Materials

- Print out pictures of different types of stars and pictures of the sun
- Good listening ears

Skills

- Increasing vocabulary
- Concept development (understanding specifics about stars)

Activity: Letter: S

Activity Description:

Learn about the letter S with Miss Cullen and Gator. First Miss Cullen and Gator are going to show the upper and lower case letter S. Then review the sound of the S. Next look at three types of food that start with the letter S: salsa, spinach and salami. If you have these items at home you can try them with Miss Cullen and discuss what it looks like, feels like, tastes like, sounds like and smells like.

Remember, when trying the different foods, it has to go in your mouth but it doesn't have to stay there. But it is always good to try something new.

Materials:

Three types of food that start with the letter S. Miss Cullen uses salsa, spinach and salami but feel free to use other food items that start with the letter S. Other food ideas include squash, strawberries, sushi and slushy.

Skills:

- Increases language development
- Works on concepts: Identifying letters
- Taking turns and sharing

Worship

Theme: Creation

Activity Description

Listen to Miss Cullen as she tells the story of Creation. On the first day, God made Light, separating it from the Darkness. And God saw that it was good. On the second day, God made the sky and the clouds and the sea. And God saw that it was good. On the third day, God made the trees, plants and land. And God saw that it was good. On the fourth day, God made the moon and the sun and the stars and space. And God saw that it was good. On the fifth day, God made the animals of the sea and sky. And God saw that it was good. On the sixth day, God made the animals and made Adam and Eve – Man and Woman. And God saw that it was good. On the seventh day, God rested.

Materials:

- Listening ears
- Looking eyes

Skills:

- Increasing vocabulary
- Increasing receptive language skills

Art

Activity Description: Magic Painting

Draw a picture on white paper with a white crayon. Miss Cullen is drawing a picture of a flower and writing her name. You will not be able to see the picture clearly at this point. Then after the child has finished his/her drawing, have your child paint over the drawing with water color. Any

color is fine and feel free to use multiple colors if desired. Covering the page with the water color paint will cause your picture to magically appear!

Materials:

- White construction paper
- White crayon
- Water colors (can use multiple colors)
- Paint brush
- Paper plates or bowl

Skills:

- Fine motor skills
- Color recognition (water color, paper)
- Child finds new ways to express themselves with their drawing
- Artistic expression
- Creativity

This is a great time to review the days of the week, months of the year and the number of the day. Then check the weather and compare it to your weather dial.

Discussion: Earth

Earth – We live on the planet Earth and Miss Cullen is going to talk about the Earth today. See the picture that Miss Cullen holds up? Notice the different colors on the Earth - blue, brown, green and white. Blue is the water – all the oceans and lakes. Brown is the land. Green is where the trees, grass and plants are. White is formed by the clouds. Good job recognizing all of the colors.

Materials

- Print photos of Earth
- Looking eyes
- Listening ears

Skills

- Increasing language development
- Increases knowledge of our world
- Child understands that pictures symbolize something else

Activity: Letter: R

Activity Description:

Learn about the letter R with Miss Cullen and Gator. First Miss Cullen and Gator are going to show the upper and lower case letter R. Then review the sound of the R. Next look at two types of food that start with the letter R: relish and raisin. If you have these items at home you can try them with Miss Cullen and discuss what it looks like, feels like, tastes like, sounds like and smells like.

Remember, when trying the different foods, it has to go in your mouth but it doesn't have to stay there. But it is always good to try something new.

Materials:

Three types of food that start with the letter R. Miss Cullen uses relish and raisins but feel free to use other food items that start with the letter R. Other food ideas include radishes, roast beef, raspberries and rice.

Skills:

- Increases language development
- Works on concepts: Identifying letters
- Taking turns and sharing

Worship

Theme: What God Made

Activity Description

God made lots of things including the Earth, space, the stars, and the planets. Today Miss Cullen is going to share a song with us about the things that God made. But first, let's say a Bible verse together.

Genesis: Chapter 1 Verse 9

"And God saw that it was good."

What God made Song: (Improvise your tune)

What did God make?
What did God make?
God made Earth.
God made space.
Clap and sing and celebrate.
Clap and sing and celebrate. God made stars.
God made planets."

Now let's say a prayer with Miss Cullen thanking him for all the things that he made. Thank you for today God. Thank you for loving us and keeping us safe. Thank you so much for all that you made. For us on the Earth and in space. We love you God.

This material is intended for live classroom usage only. If you are not leading a live classroom, we encourage you to use the interactive version of the preschool day over at <http://online-preschool.cullensabcs.com>

Materials:

- Enthusiam
- Good listening ears
- Good looking eyes

Skills:

- Increasing language development
- Concept development (Understanding specific ideas about what God has created)

Art

Activity Description: Splat Painting

Beware, this is a MESSY project. Make sure to find a spot outside covered in newspaper to do this one! Get a pair of cheap panty hose and cut off the legs. Fill the bottom with beans, rice or popcorn kernels and tie a knot so they don't fall out. Add paint to the pie tin or cookie sheet and dip the bean filled panty hose in the paint. Give your child a big piece of white paper. Standing over the paper, have the child let the bean filled end of the panty hose drop and hit the paper. This will leave behind a cool design. If you use different colors of paint you can create an even cooler design!

Materials:

- Big piece of paper – Butcher Paper is best
- Panty hose – with legs cut off
- Beans, popcorn kernels or rice
- Paint
- Cookie sheet or Pie tin
- Newspaper

Skills:

- Color recognition
- Feeling the different textures of the paint, paper, panty hose, beans, rice or popcorn kernels
- Using fine and gross motor skills
- Creativity
- Artistic expression

This is a great time to review the days of the week, months of the year and the number of the day. Then check the weather and compare it to your weather dial.

Discussion: Plants

Planets –Let's talk about the planets – their colors and their order. See the picture that Miss Cullen holds up? Make sure you take a good look because some of the planets are tiny. First, see the sun all the way on the far left? Now remember that the Sun is not a planet, but a star. Closest to the sun is Mercury, then Venus, Earth, Mars, Jupiter, Saturn, Uranus and Neptune. You can also see that the planets are different sizes. Now look at each planet individually. Mercury is a grayish color and very hot. Venus is a brownish color. Earth – we all know Earth, that's where we live. Mars is a reddish, orange color. Jupiter is an orangish color with white bands. It is also the biggest planet in our solar system. Saturn is the second largest planet and is a light yellow. Uranus is a light blue color. Neptune is also light blue. Pluto is the ninth planet and a light brown or tan.

Materials

- Print out photos of the planets
- Listening ears
- Looking eyes

Skills

- Increasing vocabulary
- Concept development (understanding specific ideas about plants)
- Learns about different sizes
- Color recognition

Activity: Letter: P

Activity Description:

Learn about the letter P with Miss Cullen and Gator. First Miss Cullen and Gator are going to show the upper and lower case letter P. Then review the sound of the P. Next look at three types of food that start with the letter P: paprika, pineapple and pepper. If you have these items

This material is intended for live classroom usage only. If you are not leading a live classroom, we encourage you to use the interactive version of the preschool day over at <http://online-preschool.cullensabcs.com>

at home you can try them with Miss Cullen and discuss what it looks like, feels like, tastes like, sounds like and smells like.

Remember, when trying the different foods, it has to go in your mouth but it doesn't have to stay there. But it is always good to try something new.

Materials:

Three types of food that start with the letter P. Miss Cullen uses paprika, pineapple and pepper but feel free to use other food items that start with the letter P. Other food ideas include popsicles, pizza, popcorn, pastrami, pepperoni and pasta.

Skills:

- Increases language development
- Works on concepts: Identifying letters
- Taking turns and sharing

Worship

Theme: How God Created the Whole World

Activity Description

Miss Cullen is going to tell us about God creating the whole world. First, what does the word create mean? It means that you make something. So God made the whole world. Now Miss Cullen is going to show you how God created the world. After each step join Miss Cullen in saying "And God saw that it was good." On the first day, God made the light and separated it from the darkness. And God saw that it was good. On the second day, God made the waters and the clouds. And God saw that it was good. On the third day, God made the trees, flowers and land. And God saw that it was good. On the fourth day, God made the sun and the moon and the stars to shine at night. And God saw that it was good. On the fifth day, God made the sky, the oceans and all the bird and fish that live in them. And God saw that it was good. On the sixth day, God made the animals and made Adam and Eve – Man and Woman. And God saw that it was good. On the seventh day, God rested.

Materials:

- Good listening ears

Skills:

- Increasing language development
- Concept development (Understanding specific ideas about what God has created)

This material is intended for live classroom usage only. If you are not leading a live classroom, we encourage you to use the interactive version of the preschool day over at <http://online-preschool.cullensabcs.com>

Art

Activity Description: Making a Sun

Let's make a sun with Miss Cullen. Trace the pattern of a circle onto a piece of orange paper and let your child cut it out. Circles are the perfect shape for developing motor skills so let your child do his/her best. Using regular paper cut out triangles for the sun beams and let your child color them. Use tape to attach the sun beams to the circle.

Materials:

- Orange paper
- White paper
- Crayons
- Lid/pattern for making a circle
- Pencil or marker
- Scissors
- Tape

Skills:

- Color recognition
- Using fine motor skills
- Creativity
- Artistic expression
